

REMARKS

Claim 21 was canceled and replaced with new claim 22 to conform the claim to U.S. patent practice. The replacement was made only to correct the form of the claim, and not for any other reason. Thus, applicants are entitled to the full range of equivalents under the Doctrine of Equivalents for new claim 22.

In view of the foregoing amendments and remarks, Applicant respectfully requests favorable action and early passage to issue of the present application.

Respectfully submitted,
